**Consultation outcome for admission arrangements for Grange Park Primary School,  
Enfield Learning Trust, for the academic year 2019/2020**

The Board of Trustees of the Enfield Learning Trust are pleased to confirm that the consultation for Grange Park Primary School to open a nursery provision has been successful. The school will be opening their new nursery in September 2019.

The Board of Trustees considered all feedback from the consultation and many aspects before the outcome was reached. The Board felt that in response made by local parents and the many educational benefits for having a nursery that the school proposal should be granted.

Further information will follow from the school to inform families of the options available and how they can apply for places.

Yours sincerely

Sarah Turner  
Chief Executive Officer
